Re: Robert G. Wilmers

On October 2, 1969, Pauline DeFiore, Credit Bureau of Greater New York, furnished a detailed credit report regarding the subject to a representative of the Federal Bureau of Investigation (FBI):

A current credit report reflects that Robert G. Wilmers is currently residing at 15 West 81st Street, New York, New York, and he is an employee in the New York City Administration of Mayor John Lindsay. Subsequent credit reports disclose that the subject [REDACTED] formerly resided at 161 East 91st Street, New York, 920 Park Avenue, New York City, and 235 East 25th Street, New York City. The subject's former employments were with the Standard Bag Corporation, 29-10 Hunters Point Road, Long Island City, New York as a Financial Credit Analyst from October 15, 1959 to January, 1960 and the Manufacturers Trust Company, 55 Broad Street, New York City, from December 15, 1958 to August 14, 1959 holding the position as that of an executive trainee. Wilmers was also employed by the American and Foreign Power Company, 100 Church Street, New York City, from March 11, 1957 to August 30, 1957 having the position as that of an Advertising Assistant. It was determined through subject's past employments that he was born on April 20, 1934 and had Social Security Number 030-28-1614. The subject [REDACTED]

RE: _____

Bureau authority is requested to interview subject in accordance with existing instructions relating to interviews of security subjects. Care will be exercised to protect the original source in this matter. No direct questions will be asked during the interview which will disclose to the subject the identity of the official or the establishment contacted, the method used in the contact, or the fact we are aware of the contact. The interview will be conducted in a manner so that the subject will volunteer the details of the contact. If this subject is cooperative, no affirmative steps will be taken during the initial interview to direct his activities, but a separate communication will be directed to the Bureau setting forth the results of the interview and requesting authority to recontact the subject as a potential security informant or double agent.

I. ROBERT WILMERS is currently residing at 15 West 81st Street, NY, NY. WILMERS is an appointed employee in the NYC administration of Mayor JOHN LINDSAY. He is a political appointment by Mayor LINDSAY and is presently the First Deputy Administrator with the Department of Finance with a salary of \$29,400 per annum. The subject is about 36 years old and was born in the US. WILMERS attended Harvard University from September, 1952 through June, 1956, where he received the Degree of Bachelor of Arts. He also attended Harvard Business School from 1957 to 1958, but did not receive a Masters Degree in Business Administration.

VI. In view of the subject's high position in the NYC administration of Mayor JOHN LINDSAY, and the fact that his residence is located [redacted] to the [redacted] resides, it is felt that the subject could possibly possess excellent informant or double agent potential.

VII. An interview with the subject is being requested because WILMERS had been observed by a Special Agent of the FBI in contact with [redacted] on 9/29/69. Although the subject appears to [redacted] it is conceivable that the subject might be of possible interest to the Soviets due to his important position in the NYC administration of Mayor JOHN LINDSAY. It is felt that an initial interview with WILMERS to further assess his potential as a PSI, could be of value to the Bureau.

VIII. An interview with the subject would determine at the outset whether he knows any Soviets, in particular, [redacted]. It is hoped that an interview with the subject might possibly disclose the nature of the subject's association with [redacted]

It is also expected that the interview with WILMERS would disclose whether or not he is in a position to be of assistance to the Bureau, and to determine his attitude and willingness to be of assistance to the Bureau.

IX. If Bureau authority is granted to interview the subject, an appointment will be made telephonically, and the interview will be conducted at a location which will afford maximum privacy. At the outset of the interview the subject will be advised of the FBI's interest and jurisdiction in the internal security of the US. The subject would be contacted under pretense that certain individuals who reside in close proximity to Soviet nationals, are considered for interview.

If it appears during the interview that WILMERS is cooperative and willing to be of assistance to the Bureau, and if he has been in contact with any Soviet nationals, his potential as a PSI or double agent would be further assessed in this regard.

This authorizes New York to interview subject, First Deputy Administrator with New York City Department of Finance, who was observed in contact with Soviet national to determine extent of his contacts with Soviet national.

During surveillance of [redacted] Soviet national [redacted] at United Nations Secretariat, Agents observed Soviet [redacted] talking with unknown male who was subsequently identified as subject in front of Soviet's residence. [redacted] was observed to later join in conversation and to write something on piece of paper which he handed to subject. Subject is native-born citizen approximately 36 years of age who has been affiliated with New York City Government since 1966. He is a political appointment of New York City Mayor John Lindsay. Investigation has established that subject resides [redacted] number of other Soviet nationals reside. No unfavorable information developed in our investigation. In 1967 subject, accompanied by two other New York City officials, was interviewed by Bureau official in connection with problem of "bootlegging" of cigarettes in New York City. Bureau's lack of jurisdiction was explained to them. New York has recommended that we interview subject in order to determine his association with [redacted] and to evaluate his potential to assist the Bureau.

We should interview subject since we know he was in contact with one Soviet national and his employment would make him attractive target of Soviet intelligence. Subject holds responsible position in New York City Government and we have logical basis for interview since he resides [redacted]

[redacted] where a number of Soviets reside. New York will explain Bureau's jurisdiction and responsibilities in internal security field. We will seek subject's cooperation and point out that a number of Soviets of interest [redacted]

This approach will enable subject to volunteer any contact he may have had with [redacted] or any other Soviet national and also afford our New York Office opportunity to assess his potential as informant [redacted]
